Central vacuum systems  
[huskyvac.com](http://huskyvac.com)

## Ultra-quiet central vacuum system

- Patented design cuts down on the decibels without diminishing vacuum power
- High-end finish for long-term durability
- Very large capacity (34.4 l), brushed aluminum canister with new ergonomic handles with integrated latches for ease of operation

Model number	WSP-280I-EU-H
	WSP-280E-EU-H
Electrical requirement	220-240V, 1981W, 8.7A
Maximum Air Watts	683
Maximum depression (H <sub>2</sub> O)	3977mm (156.6") H <sub>2</sub> O
Maximum air flow	59.1 l/sec. (125.2 CFM)

- Machine washable, highly efficient filter for ease of maintenance
- Hybrid: may be used with or without a filtration bag. *When used with a filtration bag, it provides double-filtration for unparalleled air quality and prevents contact with dust and allergens*
- Superior suction power
- Soft-start and soft-stop system for improved functionality and longer motor life

## Accessory kits

### Two-way wireless technology

- Exclusive patented wireless technology for easy installation
- Complete high-end accessory kit including a hose cover\*
- External controller module (not shown):
  - Soft-start and soft-stop system for improved functionality and longer motor life
  - On/off switch directly on the module. Controls up to 4 wireless components

- Intelligent and ergonomic handle:

- (A) LCD screen with real-time information from the system (8 available languages) indicating when to empty the canister, replace the filtration bag, perform maintenance, etc.
- (B) Variable speed control with 3 power levels, the lowest level for gentle cleaning of curtains or drapes up to highest level for carpets and floors
- (C) Start/stop of the power unit
- (D) Integrated light for poorly-lit places
- (E) Button lock for quick and solid connection

### Basic wireless technology

- Wireless technology for easy installation
- Ergonomic handle with remote control for starting and stopping the unit
- Complete high-end accessory kit including a hose cover\*
- Wireless receiver connected to the power unit

#### Also available (wireless technology only):

- Wireless transmitter for vacuum floor inlets to simplify kitchen cleaning
- Wireless repeater to increase the signal range

### Low voltage technology

- Ergonomic handle with interrupter
- Complete high-end accessory kit including a hose cover\*

## LIFETIME WARRANTY\*\*

The best in the industry

Lifetime warranty on all components of the power unit including 10 years on labor

5 years on accessories and vacuum inlets (parts and labor)

Simple and hassle-free

\*\* Where applicable, see further details in store
